

DCP551 Model Selection Guide Digital Controller/Programmer with Price Data (Universal Input/Output Model)

Model Selection Guide
57-77-16-08 Issue 11

Honeywell Proprietary

Instructions

- Select the desired Key Number. The arrow to the right marks the selections available.
- Make one selection each from Table I through V, using the column below the proper arrow. A dot (•) denotes unrestricted availability. A letter denotes restricted availability.
- A complete Model Number must have a selection for the Key Number and each table.

Key Number I II III IV V
 [] - [] - [] - [] - [] - []

List Price equals the sum of all selections made.

KEY NUMBER

Description	Selection	Availability	
Digital Controller/Programmer	DCP551	↓	[]

TABLE I

Output	Universal Output	E	•	[]
--------	------------------	---	---	-----

TABLE II

Input Selection	One Input	2	•	[]
	Two Inputs	1 <td>• <td>[]</td> </td>	• <td>[]</td>	[]
